Dear Parents,

Alan Ryan
I must commend the mature, calm and very responsible attitude of our students yesterday who formed the guard of honour for Alan’s funeral.
Alan’s service was a very moving and touching occasion that celebrated his life and remembered a bright, vibrant boy who brought joy to everyone he met.

Head Lice
Parents are reminded to treat head lice with a hair product designed to kill and eliminate the nits as well as the lice. Please check your child’s hair regularly and attend to the problem as prolonged exposure often causes skin irritation and exposes your child to possible embarrassment should other children spot the lice.

Kinder Enrolment
If you know of anyone who has not yet enrolled for Kinder in 2013 please have them contact the school as soon as possible as the children need to be counted for staffing purposes and are missing our transition program.

All enrolment forms are available from the office.
